

Terms of Use

The rules for using theleapschool.org

"What's your question for the day?"

1

Accepting these terms

These Terms of Use govern your use of theleapschool.org (the "website"), operated by **Udgam Educational Society**, Plot No. 202 and 203, HIG Phase-II, Chandanagar, Behind Vijetha Super market, Hyderabad, Telangana 500049. By using this website, including submitting an enquiry or downloading the Fee Particulars, you agree to these terms. If you do not agree, please do not use the website; you are welcome to contact us directly instead.

2

What this website is for

This website provides information about The Leap School, including our approach, programmes, fees and admissions process, and lets prospective families reach us: through the Leap Desk enquiry form, the Fee Particulars download, and by booking a visit.

3

Who should use this website

This website, and the forms on it, are intended to be used by parents, guardians and other adults, not filled in directly by a child. When we ask for a child's information, such as a class of interest, we expect a parent or guardian to be the one entering it, as part of an inquiry they are making themselves.

We do not knowingly collect personal data submitted directly by a child through this website, outside the ordinary course of the admissions process our staff run directly with a parent or guardian. If you believe a child has submitted personal data to us directly, please contact us and we will address it.

Your privacy

Our Privacy Policy explains what personal data we collect through this website and the admissions process, why, and what rights you have over it. It forms part of these Terms of Use. Please read it, particularly if you are submitting your child's information.

Content, accuracy, and the Fee Particulars

We aim to keep the information on this website accurate and current, but a website is not a contract. Where a page or download describes fees, offers, dates, policies or programmes, that description is for information only, and does not itself create a binding obligation on the school.

The Fee Particulars document available for download carries its own, more detailed notice to this effect, including what "valid until 31 March 2027" means and how it relates to our admission offers. That notice applies in full here as well. The signed Admission Agreement, provided at the time of enrolment, is the governing document for all fee terms.

We may update or correct information on this website at any time, including fees, policies and programme details, without prior notice, though we will try to flag material changes clearly where we reasonably can.

Intellectual property

All content on this website, including our name, the Leap crest and logo, text, photographs and design, belongs to The Leap School or is used under licence, and is protected by applicable Indian copyright and trademark law. You may view and share pages of this website for personal, non-commercial use. You may not reproduce, modify, or use our name, crest or content for any commercial purpose without our prior written permission.

Acceptable use

When using this website, you agree not to:

- Submit false information through any form, including the Leap Desk enquiry or the Fee Particulars download.
- Attempt to gain unauthorised access to any part of the website, its systems, or data submitted by others.
- Use automated means (scraping, bots, or similar) to extract content or data from the website without our permission.
- Use the website, or any information obtained from it, in a way that could harm The Leap School, its students, families, or staff.

Links to other websites

This website may link to third-party websites, such as a payment gateway, a maps service, or our own social media pages, for your convenience. We do not control those websites and are not responsible for their content or their own privacy and data practices. Visiting them is at your own discretion.

Limitation of liability

To the fullest extent permitted by applicable Indian law, The Leap School is not liable for any indirect, incidental, or consequential loss arising from your use of this website, including reliance on information later corrected or updated. Nothing in this clause limits any liability that cannot lawfully be excluded, including in connection with our obligations under the DPDP Act 2023 or applicable consumer protection law.

Indemnity

You agree to indemnify The Leap School against any claim, loss, or expense arising from your misuse of this website or your breach of these terms, to the extent permitted by applicable law.

Governing law and jurisdiction

These terms are governed by the laws of India. Any dispute arising from your use of this website is subject to the exclusive jurisdiction of the courts at Hyderabad, Telangana.

Changes to these terms

We may update these Terms of Use from time to time. The updated version will be posted here with a new "last updated" date. Continuing to use the website after a change means you accept the updated terms.

Last updated: 16th September, 2026
